

Health Survey

We all know that it seems that Vietnam Vets suffer a high number of health problems. As a potential benefit to all of us, I would like to ask you to answer the following questions. All responses will be kept confidential. All of your answers will be consolidated into a spreadsheet and this information will only be used as a resource for when one of us want to know the frequency of various illness among our group.

Please answer the following...

a. What is your current age?

b. Have you ever been diagnosed with Prostate Cancer **and**, if so, when?

c. Have you ever been diagnosed with any other form of Cancer **and**, if so, which one and when were you diagnosed?

d. Do you receive disability benefits from the VA for your condition/illness/disease?

e. Has your disability ever **officially** been attributed to exposure to Agent Orange or other dioxins, etc?

f. What is your disability rating, if any, from the VA?
